IN MEMORIAM

Mrs. Frances C. Ferguson

Faithful to Ardsley for twenty-eight years, Mrs. Ferguson upheld the highest traditions of the teaching profession and was known as one who always tried to do more than her share. Her quiet, unassuming, gentle manner coupled with unusual strength of character endeared her to all who knew her. The picture, "A Helping Hand", presented in memory of Mrs. Ferguson will serve as an inspiration to all.

DEDICATION

Miss Helen G. Robbie

For your helpfulness and sympathetic understanding, the class of 1953 dedicates this ARDSLEYAN to you, Miss Robbie. Your spirit of co-operation and many services along with your interminable patience are examples of the qualities which we admire in you. Long after graduation we will reminisce on the pleasant moments we spent together.

FOREWORD

Our first job as the Board of Editors of the 1952 ARDSLEYAN was to select a theme for it. We chose the play, "Life in Ardsley High". The school was the theater. The school years would be the acts of the play. Commencement was the final performance. In order to carry our theme throughout the book we used appropriate play titles on the Senior pages and references to dramatics in many of the other sections.

This year the staff introduced color on the cover. In order to make the advertisement section more pleasing to the eye, we arranged snapshots on them. The use of individual pictures of the Varsity basketball team is another novelty of which we are proud.

A great deal of time and work was spent in planning this yearbook. Unique photography set-ups, balanced layout, and the carrying out of our theme have added to the task.

The staff has learned much by publishing the ARDSLEYAN. We have mastered the terminology of the publisher. Also, we learned what, perhaps, is an important principle of human relations, the spirit of co-operation that is essential for progress. Because we feel that this unifying force has played an important role in successfully completing our drama of life in Ardsley High, we have chosen *"United we stand; divided we fall"* as our prompter or motto.

TO THE CLASS OF 1952:

Most of your success in life will depend on your ability to gain the confidence and co-operation of others, in which the first step is to organize your own life for success.

Make a Master Plan for your life; then break it down into immediate goals. Constantly review these goals; keep the nearest one always before your mind. Celebrate its attainment; then press right on to the next. If you fall, pick yourself up and go on, the same as you learned to skate. Remember the words of St. Matthew: "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." But note that these are words of positive action, not of wishful thinking.

Eliminate detours, road-blocks and conflicts. Refuse to be detoured by non-essentials or blocked by conflicts within or without. *"To thine own self be true."* If conscience says it's wrong, leave it alone. For conflicts without, compromise if you can, battle if you must, but get it over with. Cry not over spilt milk or what might have been but devote all energy to your present goal.

And finally, never forget that success is not for yourself alone. You are working also to justify the confidence of your family, friends and loved ones who will glow in the reflected light of your success.

ACT I

The curtain rose on the first act of our performance as we entered high school in September of 1948. We were excited and bewildered Freshmen. However, guided and helped by our adviser, Mr. Felter, we gradually adjusted ourselves and became accustomed to this new phase in our education. Our first attempt at a social activity was a party for the high school which was very appropriately called "Frosh Fun Nite". Then, as inexperienced salesmen, we put forth our best efforts to support the Senior Subscription Campaign.

ACT II

As Sophomores, we found ourselves the pioneers of the triple-period classes. As a result of this successful experiment we were enabled to study biology in its truest sense by spending a week at Croton Point, under the guidance and supervision of Mr. and Mrs. Horend. This profitable camping experience also taught us to work together and to accept responsibility as it came. With Mr. Kluge's help, we organized the Sophomore P. X., which sponsored the sale of candy at home basketball games. To supplement our Washington Trip Fund, we also held a food sale in the village square and profited by nearly fifty dollars.

ACT III

The efforts of our Junior year were directed primarily toward the publication of the yearbook, the ARDSLEYAN. Through the cooperation of the entire student body and faculty and the guidance and assistance of Miss Pelda, we successfully produced an outstanding ARDSLEYAN with many new features including a padded hard cover. In the spring, under Miss Robbie's direction, we sponsored the annual Senior Prom, with a spring garden as our theme.

ACT IV

The Subscription Campaign was our first project as Seniors, and the hard-working salesmen were rewarded by an informal, fun-packed party at the close of the campaign. In March, we presented the annual Senior play, "A Date with Judy", directed by our Senior adviser, Mrs. Koenig. The proceeds from the production, combined with those of the magazine campaign, were added to our Washington Trip Fund. Our last performance was graduation, and thus the final curtain fell on our high school years.

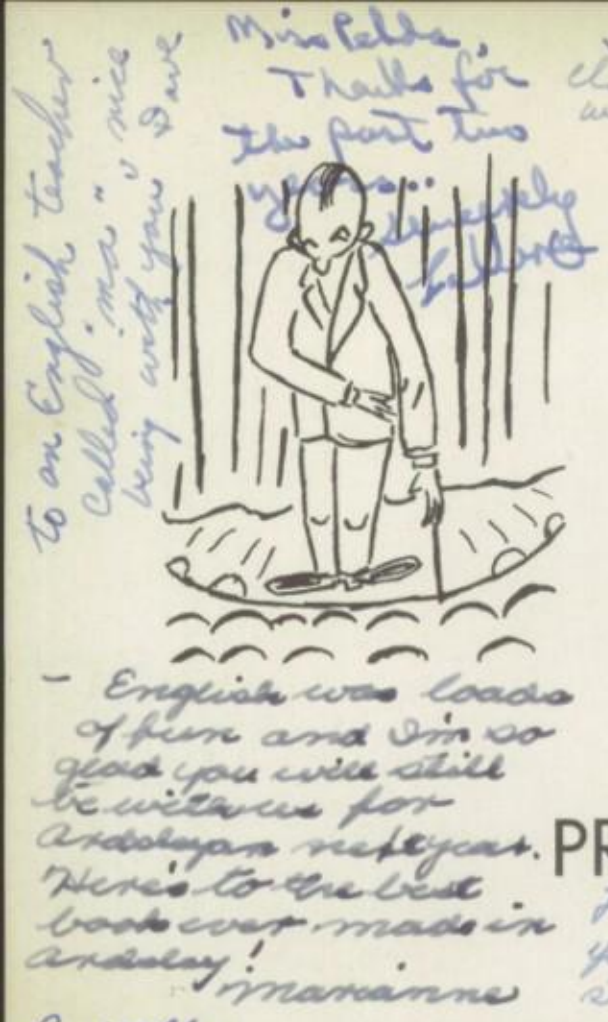
The Junior Class participated in various activities during the year. Much effort and many hours of diligent work were put into the publication of the ARDSLEYAN. Movies, sponsored by the class, provided some extra income to be used toward the Washington Trip. At Christmas the group was awarded first prize for their artistic decoration on the windows of the R. S. A. Corporation. In June, in honor of the 1952 graduating class, the Juniors took charge of all arrangements for the annual Senior Prom.



All through September the prospect of visiting Biology Camp enlightened the lives of the Sophomores. The week at Croton Point proved both educational and enjoyable. Getting back into the school routine, we sponsored a food sale for the benefit of our Washington Trip Fund. With the winter months approaching, basketball took the spotlight, and the class undertook the project of the P. X. as an additional revenue. During these months our week-ends were filled with parties, roller skating, and other activities.

In September we became full-fledged Freshmen and began getting accustomed to high school life. Thereafter, we settled down to a year of hard work interspersed with many activities. In October we sponsored our first money-making project, a food sale. Our hay ride in November will always be remembered. In order to bring out the true Christmas spirit, we had a party and then sang Christmas carols throughout the village. Our movie in March proved to be an over-all success.

UNIOR STUDENT COUNCIL

The Junior Student Council consists of the Presidents of Grades 3, 4, 5, 6, 7 and 8. They meet at least once a month and consider all items related to the welfare of the school and the grade students and organize committees to execute the decisions reached. Twice a year, the members go on adventure-education trips to such places as Fahnestock Park, the Planetarium, or the zoo.

Also, by means of a seed sale, they raise money to be used for special assemblies. Mr. Arthur W. Silliman, Principal, is adviser.

Every six weeks the Journalism Club produces the "Salt and Pepper". Our aim has been for correct and concise news with a light and humorous touch. We have improved our issues with the multi-colored ditto process, which has made possible illustrations and cartoons. BIOLOGY

The gorgeous weather of the first week in October added considerably to the enjoyment of this year's biology encampment at the County Recreation Campsite on Croton Point. All the members of the Sophomore class participated in the project, combining on-the-spot biology illustrations with out-of-door living experience. They planned and cooked their own meals in addition to continuing their school work through organized study periods.

This type of Outdoor Education, pioneered by Ardsley three years ago, trains for democracy in group decision and for mental hygiene in natural surroundings. Overheard from the Sophomores: "It was really wonderful!" "I sure hope we can do it again." "It was swell!"

EXPLORING THE APPALACHIAN TRAIL WITH THE

CAMP AT CROTON POINT

OUTDOOR CLUB AND THE MOUNTAIN TOP CLUB

Beginning with Grade 5, boys and girls interested in the outdoors are given opportunities for adventure and education through the Mountain Top Club in the grades and the Outdoor Club in the high school.

Picture a cabin situated on a wooded hilltop, secluded, primitive, yet comfortable, like our pioneer great-grandfathers might have known: the smell of wood smoke from the fireplace, the mellow glow of oil lamps, and the cozy comfort of the old-fashioned kitchen range. There, members of the Mountain Top Club may live for a weekend like early settlers; cut their fuel with ax and bucksaw, get water from a well, trail deer and explore old woods roads and the site of the grist mill and the hermit's hide-out.

Of particular interest to both clubs is the Appalachian Trail, 2300-mile wilderness foot path leading from Maine to Georgia over mountain tops and along scenic ridges. The Mountain Top Club and the Outdoor Club have enjoyed many hikes along this picturesque trail.

Historic sites such as Valley Forge, Washington's Crossing, and early colonial remains in our own Westchester County bring an understanding and appreciation of the effort and sacrifices that have made possible our way of life. The problems of conservation are illuminated by observation of water supply lakes and evergreen plantations, of contour plowing versus gullying, of blister rust control and Dutch elm disease. All groups practice conservation through carefulness with fire, cutting only dead trees, leaving a clean camp-site and considering the next camper.

JUNIOR VARSITY

The Ardsley High School Junior Varsity, although with the spirit of Ardsley in their hearts, had a difficult time getting started this year, but with their coach, Mr. Frank Kluge, never gave up. They had many close games and, despite their near-winless record in League competition, have gained valuable experience towards Varsity play next year. The boys will be out there trying for the Varsity team when the call comes in November.

On his record of 322 points for the season, Captain John Cawley was interviewed on WFAS, received the Con-Edison Award, and played on the League all-star team with Frank Jazzo.

SPORTS CLUB

Members of the Sports Club refereed all Girls' Athletic Association games this year and sponsored a successful playday for junior high students from five schools.

The group enjoyed attending an exciting field hockey game as well as the Hollywood Ice Revue.

Claudia Speicher is President and Annette Gimbel, Secretary-Treasurer. Miss Roll is the adviser.

CHEERLEADERS

Prior to the basketball season this year, the Cheerleaders sponsored a food sale which enabled them to buy new uniforms. To spur the team on, they created new cheers and perfected the old ones.

Under the supervision of Miss Hallenbeck, the adviser, the squad has had a very successful year. Janet Calace-Mottola is Captain.

GIRLS' ATHLETIC BOARD

The Girls' Athletic Board, advisory group to the Girls' Athletic Association, planned the schedule of sports activities for this year and also checked the point cards of all G. A. A. participants. The board is composed of representatives from G. A. A., from the Sports Club, and from each of the high school classes. Miss Roll is the adviser of the group.

FRONT: Louise Quist, Dorothy Young. CENTER: Alice Ward, Miss Roll, Claudia Speicher. BACK: Evelyn Schmidt, Elizabeth Flanigan.

RIDING CLUB

Concluding our second year of the Riding Club, members can look back over many happy experiences. Mounted on good horses, they undertook riding on beautiful trails in all kinds of weather. In completion of the year the Riding Club took part in a horse show in which the Ardsley horsewomen competed against other schools and made an excellent showing.

GIRLS' ATHLETIC ASSOCIATION

The main purpose of the Girls' Athletic Association is to provide a chance for girls to participate in after-school sports activities. At the first meeting in September the members elected Dorothy Young, President, and Anne Huesgen, Secretary.

Volleyball was the first sport of the 1951-52 season and as the teams were almost equal in ability, the playing was keen. The Seniors triumphed in the interclass competition which followed. After a few weeks devoted to soccer, the basketball season began. In addition to the regular team competition, there was an interclass contest which the Juniors won, upsetting the twice victorious Seniors by two points.

At the end of the basketball season an honor team was chosen to play three neighboring schools, Irvington, Dobbs Ferry, and Washington Irving High School. The competition was close, but Ardsley finished with three wins.

The girls enjoyed badminton until the weather was suitable for softball. This was the concluding sport of the year in which several mixed teams took part.

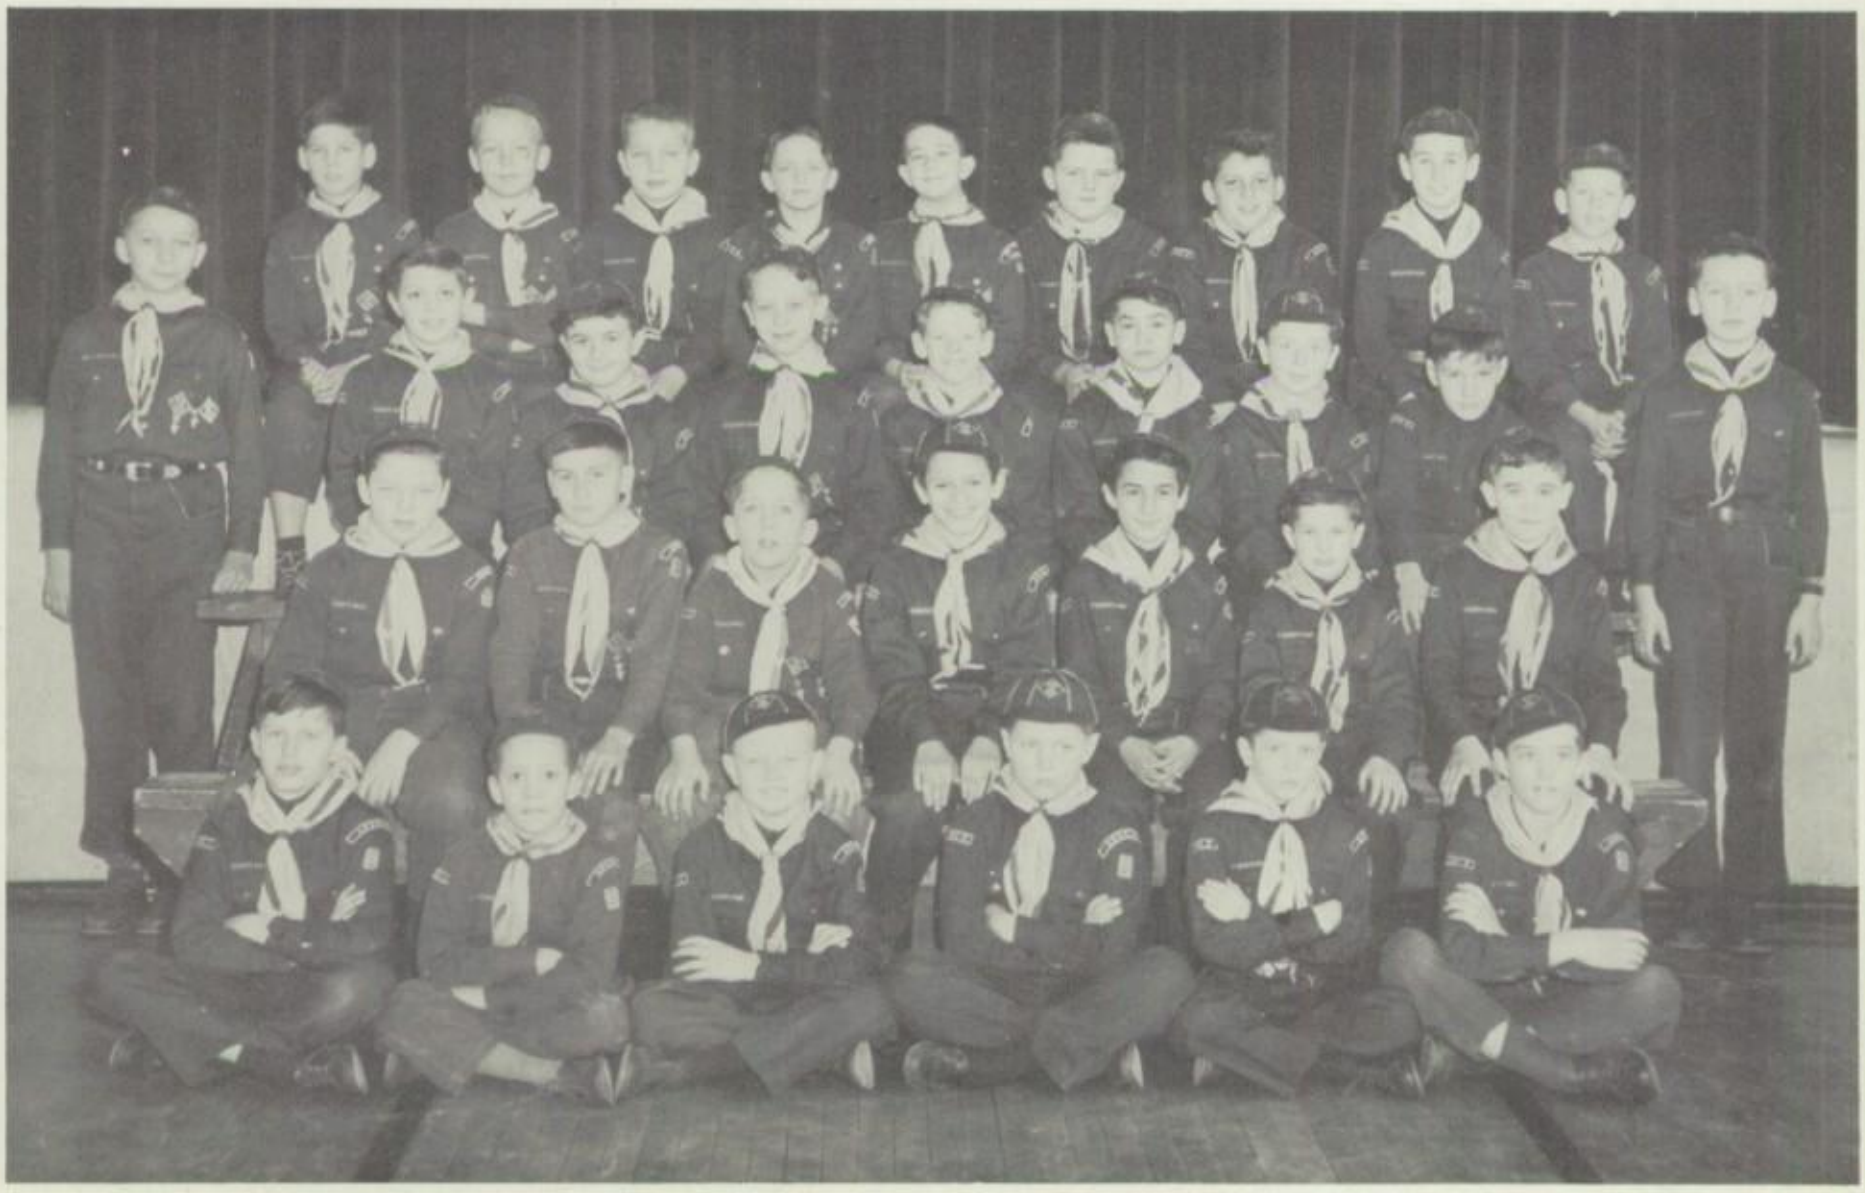
BOY SCOUTS

Under the guidance of a new Scout master, Mr. William Baxter, the Boy Scouts accomplished a great deal. During the year they went on two over-night hikes, sleeping at the Scout cabin. They held a father and son dinner at the Catholic church with an attendance of one hundred.

Barry Coggins earned his Life Scout award and Reginald Hermans his Star Scout.

In April the group organized and presented a Scout Circus and in June, an exhibition of scouting equipment in the Ardsley Square.

CUBS



GIRL SCOUTS

The Girls Scouts are an active group sponsored by the Lions Club. Their projects are based on service to the community and the development of good citizens for the future.

To finance their activities, a Cookie Sale was held which was fittingly climaxed by the crowning of the Cookie Queens. To recognize achievement, an annual Court of Awards was held. A week-end camping trip was enjoyed at Rock Hill, and an excursion with a picnic and nature walk ended the year's activities.

BROWNIES

JUNIOR ELEMENTARY CHORUS

The Junior Elementary Chorus is composed of students of the fifth and sixth grades who are chosen for their cooperation, superior musicianship, and scholarship. During the year, under the direction of Miss Hallenbeck, they took part in several assembly programs and entertained at the Christmas Concert and Spring Festival.

The student officers are Pamela Hutchinson, President, and Diane Guckenbiehl, Secretary.

BAND

The band has been reorganized again after a three-year period of inactivity due to scheduling difficulties. The membership consists of students from the fifth grade through high school and gives every instrumental student the opportunity for participation.

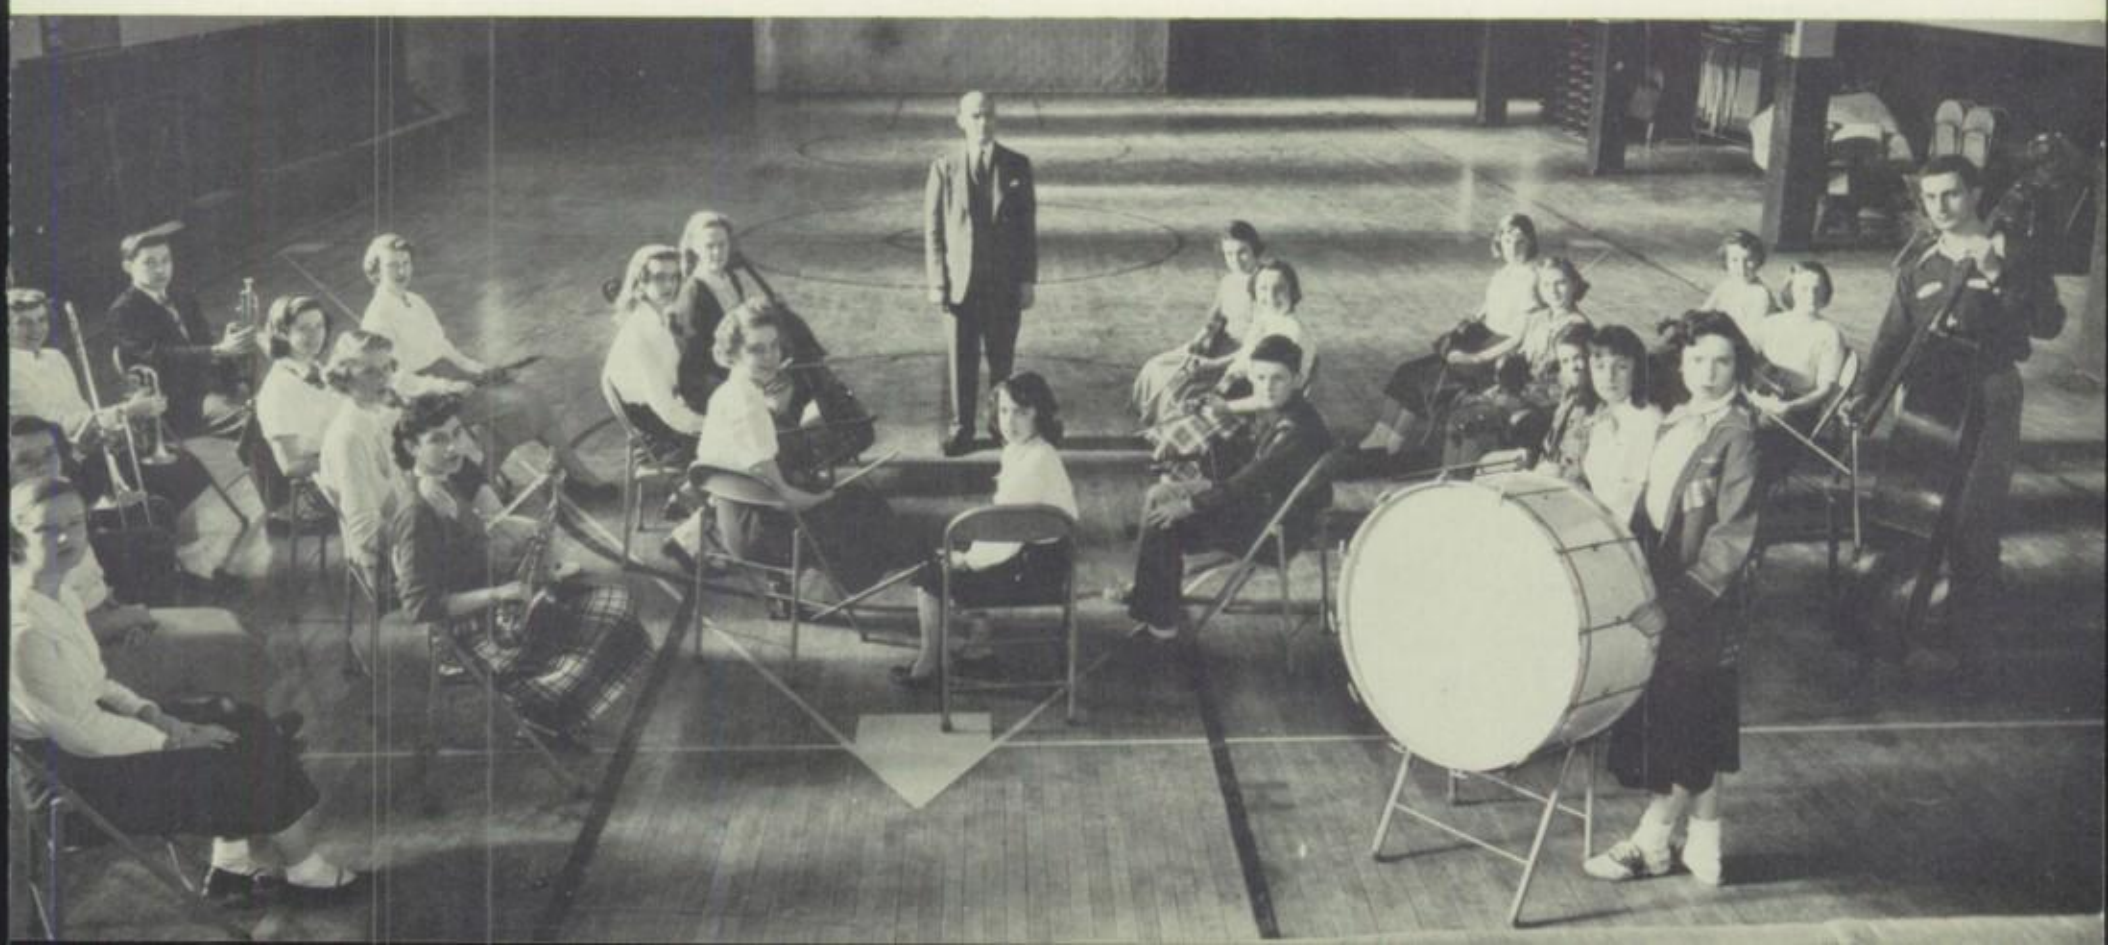
In the future, perhaps a regular rehearsal time for all may be substituted for the current ensemble method of preparation.

SENIOR ELEMENTARY CHORUS

Members of the seventh and eighth grades who maintain high scholastic standards and have outstanding musicianship, good singing voices, a spirit of cooperation, and a satisfactory attitude are eligible to join the Senior Elementary Chorus. Miss Hallenbeck conducted the group in performances before student assemblies, in the Christmas Concert, and in the Spring Festival. Chorus officers are John Canning, President, and Barbara Gardiner, Secretary.

ORCHESTRA

The orchestra, which consists of 24 members, ranging from the fourth grade to the senior class, has entertained at high school and grade school assemblies, Parent-Teachers' Association meeting, and the Christmas program. During the past year they performed at the eighth grade and senior graduations. Several of them do solo and ensemble work also. Mr. Vincent has successfully combined the talents of the elementary and high school members into a pleasant musical group.



VARSITY CHOIR

The Varsity Choir, under the direction of Mr. Vincent, performed in school assemblies, at the Christmas Pageant, and in other community programs. In May they entertained for the Metropolitan Parent-Teachers' Association at the County Center and entered State Competition. In addition to taking part in the Spring Festival, they sang at the Senior graduation exercises.

The officers are: Eleanor Slaybaugh, President; Kenneth Cauvet, Vice-President; Patricia Frischmann, Secretary, and Maureen McHenry, Robe Mistress.

SENIOR ENSEMBLE

The Senior Ensemble is composed of twelve girls selected for their outstanding musical ability and cooperation. Several of them have been members for three years. In 1951-2 the Ensemble performed for the Parent-Teachers' Association, the Christmas Program, the Spring Festival, and the Easter Parade besides entering state competition.

Miss Hallenbeck directs the group, and Claudia Speicher is the accompanist.

FRONT ROW: Margaret Ann Reuter, Margaret Fitzgerald, Barbara Nardecchia, Loretta Arone, Evelyn Haller, Barbara Berlind, Selina Annette Scott. SECOND ROW: Elizabeth Waldemar, Evelyn Staff, Judith Baker, Miss Hallenbeck, Dorene Suthergreen, Elizabeth Flanigan, Ellen Heintz, alternate.

THE STARLETS

The month of May was a very active one for Grade 8. First, our class visited Valley Forge for one day. There we viewed famous sites of interest and in addition had a wonderful time. The second trip we took during the month of May was a visit to the school camp at Croton Point. Combining regular assignments with experience in understanding how to cooperate with each other, we not only received a fine background in local history but also learned how to work together as a group.

During October, some of our classmates participated in a hiking trip to Mount Greylock. Thrilling tales were related, and songs were sung around the campfire.

In a November assembly we gave a puppet show about "Tom Sawyer". Much as we enjoyed it, our most exciting event was the assembly program we presented dramatizing Dickens's "A Christmas Carol". The Hartsdale students, who enjoyed our play, gave in exchange their presentation of "Ins and Outs". All in all, we have had a very wonderful year.

Occasionally this year we were able to visit the laboratory and see in action some of the things that our science book tells us about. It was fun keeping a temperature chart in our classroom and noting the big differences in temperature readings from day to day.

Many of us took part in our class play which was adapted to use with marionettes.

In our study much stress was placed on colonial life. We learned about the customs and hardships of that period.

During the past year, Grade 5T participated in many educational activities. Every Tuesday we had a class meeting where we discussed difficulties and gave reports. This year we enjoyed a wonderful Halloween party and a Christmas party with a gift exchange.

We worked on sandtable scenes portraying the Pilgrims and their New England colony and also depicting the Nativity at Bethlehem. Every week, exhibits of interest were planned by our museum curator. The year speeded by quickly, and we enjoyed every minute of it.

The first event of Grade 6SN was our Thanksgiving assembly play, entitled "The First Year at Plymouth". Although we had to work hard in order to present the play, it was great fun portraying the important Pilgrims. At Halloween, we enjoyed a class party which was given at Merry Baker's house. Christmas was celebrated in the classroom with a wonderful party.

In order to make our work more interesting, we constructed book covers to correspond with our different subjects and drew maps of various countries.

The class tried to be considerate of others by sending get-well cards to sick classmates, by contributing to the Dobbs Ferry Hospital, the March of Dimes, and other drives.

Our trip to the zoo was most exciting, and we enjoyed our picnic held in June in Woodlands Park.

Through working very diligently doing our classwork, many of the pupils of Grade 3HU earned Bronze Medals, which entitled them to their membership in the Honor Society. At all of our holiday parties during the year, we had a grand time.

Our major activity this year has been a study of people from other countries, placing particular emphasis on clothing. We have aided our social development by learning manners for daily use. PRESENTING GRADE 2-A

This year in Grade 2A we have completed many worthwhile projects including ones on health and safety. Also, we studied quite extensively about the American Indians — their homes and characteristics. At Thanksgiving we constructed small scenes which we were able to take home, while at Christmas we made a huge "Santa on the Rooftop" mural. Our largest project was one on the circus which we completed in the spring. All in all, our year has been a busy and a happy one for all concerned.

Grade 2F opened the year in September with more than forty pupils. We decided that even though we were a large class, we would keep our club program and take our trips after school. We have had a science walk, a trip to a museum, a hot-dog roast at Woodlands, and a visit to the Bronx Zoo. Once a month we have a club meeting after school. We have enjoyed this and have become better acquainted with each other through our club.

Along with our general work program Grade 1H had experience in socializing. This came in the form of holiday parties. For Christmas we painted jars with enamel and gold for our mothers and made blotter calendars for our fathers.

Last winter the girls presented a doll show while the boys brought in a favorite toy or toy pet. But in order to ease a long day, we had a supervised lunch period in a less crowded atmosphere, followed by a rest and play period.

Although this past year in Grade 1T has been a busy one, it was enjoyable as well. Besides the primary objectives of reading, writing and arithmetic, much time was spent on extra-curricular activities. Parties at Halloween, Christmas, Valentine's Day and Easter encouraged us to achieve better marks. A picnic and trip to the Bronx Zoo gave us a chance to become better acquainted and brought our school year to a happy ending. We are all looking forward to our work in Grade 2 next year.

PRESENTING THE KINDERGARTEN

During our early days of Kindergarten we enjoyed getting to know each other. Our days were spent in playing games, singing new songs, listening to stories, using simple tools, and learning to read.

We even visited a farm in Hastings and saw many animals which we had read about. A trip to the Bronx Zoo acquainted us with animals like birds and elephants. Numbers as well as words began to mean something to us as we counted stars, candy canes, and pencils.

We enjoyed Kindergarten and getting to know each other and our school. We learned many things: how to work with paints, crayons, and clay, using them in our room projects; how to sing together and act out the rhythms of the workers and animals we knew; how to write our names and how to read, especially about the adventures of Dick and Jane.

All of us are looking forward to continuing our work and fun in first grade.

FINALE

"TOMORROW-THE WORLD"

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances;
And one man in his time plays many parts . . ."
